

Choose Your Own Adventure

This is your Scentventure to enjoy however you prefer.

You don't need to do every single activity to earn your special edition Summer Award. If you decide to work towards the badge, you only need to do 11 activities in total. We'll indicate the number of activities required from each category.

If you're not working towards the Award, just dip in and out as you please. There's no particular order, rather these are standalone activities to enjoy whenever you want.

We've provided an index here of the different types of challenges, so you can choose what appeals to you most - whether that's serious training or something more lighthearted. First up, Life Skills Dog Training.
